4 Websites

4.1 Links to other sites

Links to other sites is provided for your convenience and information. These sites may have their own privacy statement in place, which we recommend you review if you visit any linked websites. We are not responsible for the content on the linked sites or any use of the site.

4.2 Location-enabled products or applications

Location-enabled products or applications transmit your location data to us. We do not use the data sent or provided other than to provide the service you request. Location-enabled features are opt-in, and you have control over your participation and can turn these services off at any time or uninstall them. Some mobile applications will utilise Google Analytics (or similar tool) to help us better serve you through improved products, services, and revisions to the mobile applications. This collected data will not identify you to us. It may, however, let us know anonymously, which services and features you are using the most within the application, as well as device type and hardware features, country and language of download.

4.3 Cookies

A cookie may be used in the processing of your data. A cookie is a text file placed into the memory of your computer and/or device by our computers. A copy of this text file is sent by your computer and/or device whenever it communicates with our server. We use cookies to identify you. We may also collect the following data during your visit to our website and/or the fully qualified domain name from which you accessed our site, or alternatively, your IP address:

- (i) the date and time you accessed each page on our website;
- (ii) (the URL of any webpage from which you accessed our site (the referrer); and
- (iii) the web browser that you are using and the pages you accessed.

Some web pages may require you to provide a limited amount of personal data in order to enjoy certain services on our websites (system login credentials, email address, and contact details, etc.). This personal data will only be used for its intended purposes, i.e. to respond to your message or deliver the requested services.

5 Right to access and correct personal data

You have the right to access and correct your personal data held by us (subject always to certain exemptions). We will make every endeavour to ensure your personal data is accurate and up to date. Therefore, we ask that if there are changes to your data, you should notify us directly.

If you would like to access or correct your personal data, please contact our Customer Service Department or email your enquiry to the contact details in Item 6 below.

6 Limiting the processing of personal data, withdrawal of consent, further enquiries, transmission of personal data and complaints

If:

- (i) you would like to obtain further information on how to limit the processing of your personal data or withdraw your consent on personal data processing;
 - (ii) you would like to request to limit your personal data or withdraw your consent on personal data processing (note that we may retain your data where there is a legal basis to do so, or where your data is necessary for ongoing medical related services);
 - (iii) you request the transmission of your consented personal data to another organisation, in a compatible suitable machine-readable form;
 - (iv) you have any further queries; or
 - (v) you would like to make a complaint in respect of your personal data,
- you may contact:

7 Data security

We have implemented reasonable physical, technical and procedural measures to secure your personal data from accidental loss and from unauthorised or accidental access, use, alteration, and disclosure. All data you provide to us is stored on our secure servers. The measures we implement include the following:

- (i) registering our employees handling personal data into a system/registration book before being allowed access to personal data;
- (ii) terminating our employee's access rights to personal data after his/her resignation or cessation of employment, termination of contract or agreement, or adjustment in accordance with changes in Sunway;
- (iii) controlling and limiting our employee's access to personal data system for the purpose of collecting, processing and storing of personal data;
- (iv) providing user ID and password for authorised employees to access personal data;
- (v) terminating user ID and password immediately when our employee who is authorised to access personal data is no longer handling the data;
- (vi) establishing physical security procedures as follows:
 - a) controlling the movement in and out of the data storage site;
 - b) storing personal data in an appropriate location which is unexposed and safe from physical or natural threats;
 - c) providing a closed-circuit camera at the data storage site (if necessary); and
 - d) providing twenty-four (24) hours of security monitoring (if necessary);
- (vii) updating the back-up/recovery system and anti-virus software to prevent personal data intrusion;
- (viii) safeguarding the computer systems from malware threats to prevent attacks on personal data;
- (ix) prohibiting the transfer of personal data through removable media devices and cloud computing services unless consent has been obtained from the top management of Sunway and appropriate safeguards have been implemented;
- (x) recording any transfer of data through removable media devices and cloud computing services unless consent has been obtained from the top management of Sunway and appropriate safeguards have been implemented;
- (xi) ensuring that personal data transfers through cloud computing services comply with the personal data protection principles in Malaysia, as well as with personal data protection laws of other countries;
- (xii) maintaining a proper record of access to personal data periodically and making such record available for submission when directed by the Personal Data Protection Commissioner;
- (xiii) ensuring that all our employees involved in processing personal data always protect the confidentiality of the data subject's personal data; and
- (xiv) binding any third party appointed by us with a contract for operating and carrying out personal data processing activities.

We also ensure that any third-party service providers storing or processing your personal data have implemented similar acceptable standards of security.

Unfortunately, the transmission of data via the internet is not completely secure. Although we do our best to protect your personal data, we cannot guarantee the security of your personal data transmitted on our website or other electronic transmission means.

8 Retention of personal data

We will process your personal data for as long as we have a legal basis to do so. Your personal data will be stored only for the period necessary to fulfil the purposes stated above after which we will ensure that your personal data is deleted if it is no longer necessary to store it.

We also implement the following measures for the management and deletion of personal data stored by us:

- (i) maintaining a system for proper records of personal data disposal periodically and making such records available for submission when directed by the Personal Data Protection Commissioner;
- (ii) conducting reviews and disposing of all unwanted personal data that are in the database from time to time;
- (iii) preparing and maintaining a personal data disposal schedule for inactive data with a twenty-four (24) month period or in accordance with the guidelines set by the Ministry of Health under “Jadual Pelupusan Rekod Perubatan 2016”;
- (iv) disposing of personal data collection forms used in commercial transactions within a period of fourteen (14) days, except if/unless the forms carry legal values in relation to the commercial transaction; and
- (v) prohibiting the storage of personal data through removable media devices and cloud computing services unless written consent is obtained from an officer authorised by the top management of Sunway.
