

COVID-19 ALERT

Coughing/Sneezing Etiquette

Protect others by wearing a mask when you cough/sneeze.

Outpatient Appointment

Inform our clinic of your recent travel history.

Visitation

Refrain from visiting patients if you have a recent travel history.

Information

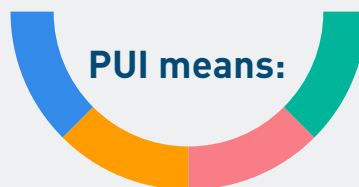

Stay informed of the latest COVID-19 updates to ensure your safety.

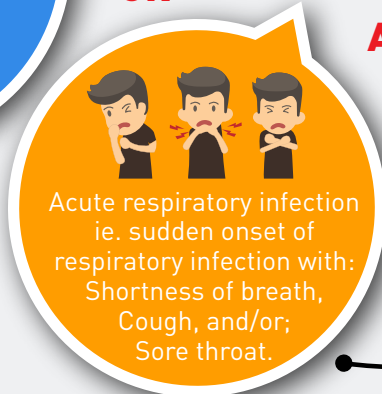

Diligence

Practice good hand hygiene to prevent infection.

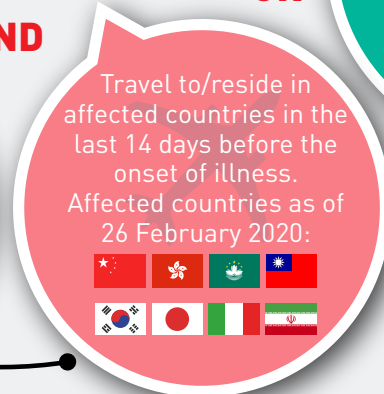

All visitors are screened/triaged to see if they fulfil the **Patient Under Investigation (PUI)** requirements. Please remember to bring your identity documents, such as Identity Card, Driving License or Passport

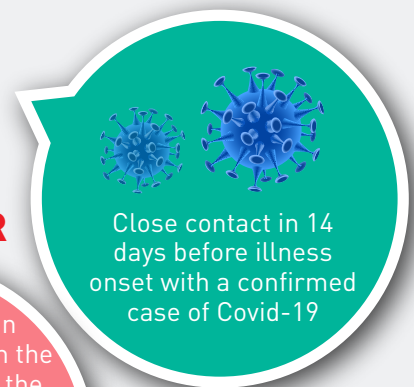

OR

AND

OR

If you fulfil the PUI requirements:

All suspected cases will be referred to a **designated public hospital** in accordance with MOH's Clinical Criteria & Operating Guidelines.

If you do not fulfil the PUI requirements:

You will be assessed and treated accordingly at our hospital.

We care, we are reliable, we make a difference

Sunway Medical Centre practices stringent precautionary measures to ensure a safe hospital environment for everyone. We hereby urge you to cooperate with us to keep Covid-19 at bay.

Let us work together to protect ourselves against Covid-19.
